## FRONT VIEW

**Basic Set-up Time:**

**3 hours**  
or less without windwalls

**Manpower:**

**3 x** 

## Why MSR use Stageline® products only:

- **MANUFACTURING:** Stageline has built over 425 units
- **EXPERTISE:** Stageline has been designing mobile stages for over 20 years
- **100% FAIL PROOF HISTORY:** A reassuring record and no liability exposure for MSR
- **RELIABILITY IN ENGINEERING:** Highest wind resistance, with or without windwalls
- **WIDE RANGE OF MODELS:** SL100, SL100-Mix, SL 200, SL250, SL255, SL260, SL320, SAM440, SAM550, SAM555, covered wings and backstage
- **RAIN OR SHINE:** Complete rainproofing with full height windwalls and downstage canopies
- **SINGLE TRAILER:** All standard equipment travels in one stage trailer unit
- **QUALITY:** MSR is involved in mobile stages only. All business operations, facilities and resources are geared toward mobile staging. Just downright quality for quick, smart and profitable
